For the honeysuckle girl. She'll find you, I think, but if she doesn't, you find her. Adrift ever since, Althea is now fresh out of rehab and returning to her family home in Mobile, Alabama, determined to reconnect with her estranged, ailing father. While Althea doesn't expect him, or her politically ambitious brother, to welcome her with open arms, she's not prepared for the chilling revelation of a grim, long-buried family secret. Fragile and desperate, Althea escapes with an old flame to uncover the truth about her lineage. Drawn deeper into her ancestors' lives, Althea begins to unearth their disturbing history and the part she's meant to play in it. Gripping and visceral, this unforgettable debut delves straight into the heart of dark family secrets and into one woman's emotional journey to save herself from a sinister inheritance. ...more [Burying the Honeysuckle Girls PDF ebook](#)
